Mission: "A Catholic Parish sharing experiences of the Kingdom of God"

*Fourth Sunday of Ordinary Time
January 29, 2017*

FROM THE
Pastor's Desk

Renew My Church

We have a calling and the calling is not something new. We are called to look at the way we worship God. Pope Francis has called us to dream big for the Church and *Renew My Church* is a call to boldly reimagine what it means to be a Church in the Archdiocese of Chicago. We must be willing to leave behind familiar ways of doing things to carry out Christ's mission in the communities we serve. *Renew My Church* is the vision of Cardinal Blasé Cupich which calls each of us to face our challenges and commit to a renewal of faith, active participation, engagement in broader and more diverse family of families and most importantly, to deepen our personal relationship with Jesus Christ.

The objectives of *Renew My Church* is to create vital, vibrant, life giving, Catholic communities across the Archdiocese of Chicago and inspire disciples to accompany all members of our family of faith to seize this moment to make the mission of Christ our own for our time. Our life as church here in Chicago has been organized around the parish. This has created loyalties and deep affection on the part of our people for their own parishes, and has motivated extraordinary generosity and devotion.

At the same time, we have to recognize that the vibrancy of these parishes could be taken for granted in an earlier era, given the social fabric and connect-edness that defined our neighborhoods and society at large. These neighborhoods were marked by residential stability, social mores and shared values, and a familiarity among people that was often based on similar ethnic relationships. But the world is much different today, and the social and cultural infrastructures that buttressed our parish life have evaporated to a large extent.

Today, people are more mobile in their residential patterns. Their cohesion of values has been disrupted if not destroyed by closed-end secularization, by globalization and economic forces beyond their control, by new forms of communication and by an entertainment industry that reshapes how we see one another. The social structures our parishes once relied on to support what they were doing as

individual communities are no longer present for the most part.

We need to create a new kind of networking, a set of relationships among ourselves in which we are not *independent*, living in our own silos, but *interdependent*. As parishes, the challenge is to become communities of communities that are stronger and more effective in mission than when we worked in isolation. We need to move beyond a model of parish that is independent and self-reliant.

We have to approach this as a communal discernment process. It is part of our spiritual journey together, asking where is the Spirit moving us to take up in a fresh way through our parishes the mission of Christ to evangelize, make disciples and transform Chicagoland and the world in Christ's love.

Since Cardinal Cupich's letter was read at all masses on the weekend of January 21st & 22nd with regard to *Renew My Church*, I thought of sharing some further explanation on the matter. What better way to do that than to have extracts from his very article on *Renew My Church*? So this article is an adaptation of Cardinal Blasé Cupich on *Renew My Church*. Let us heed the call given to us and work closely to bring about the renewal process of "*Renew My Church*."

Responding to Domestic Violence in Our Community

On Sunday, February 5, Fr. Charles W. Dahm, O.P., Director of Domestic Violence Outreach for the Archdiocese of Chicago, will preach at all the Masses at St. Isaac Jogues. On Saturday night Deacon Peery Duderstadt of Our Lady of the Brook/St. Norbert Parishes will preach as Fr. Dahm's delegate.

Although largely unseen, domestic violence is rampant in the United States, including in our community. Calls about domestic violence are the most frequent received by local police in our community.

On **Monday, February 6, Fr. Dahm will meet at 7:00 pm in the Holy Family Room** with those parishioners interested in learning more about domestic violence and/or helping our parish respond to the needs of victims in our community as sensitively and compassionately as we can.

Dear Sisters and Brothers in Christ,

As a new year begins, I want to assure you of my prayers for you, your families, and your parish communities. I also want to share some important information about *Renew My Church*.

As you may already know, *Renew My Church* is an archdiocesan initiative that involves all the people of the archdiocese and their faith communities. The goal of *Renew My Church* is to make our parishes more vital and more sustainable. We do this not on our own initiative but in response to the call of Christ, which was first heard by those disciples recounted in today's gospel. The call is the same as it was in those early days of the Church: to be His disciples and take responsibility for carrying on His mission in our time. The place to start is by working together to make our parishes vibrant communities that form missionary disciples of Jesus. This will also mean being realistic about our limited human and material resources and evaluating how our present structures may need to be organized differently to keep pace with changing realities.

A very important part of the process of *Renew My Church* are the parish groupings that will work to plan for the future and discern where God is leading us. After receiving consultation and feedback from you, the priests of the diocese, and parish pastoral councils, we are announcing the groupings today. Your parish will be part of a grouping that will enable you to assess, plan, and discern how best to meet the needs of the future in a way that is both reasonable and in conformity with God's will for us.

Each grouping will have guidance for its process of reflection and discernment. Everything, however, begins with building relationships across parishes in a given grouping. That means getting to know each other and perhaps sharing some common projects or events, such as retreats, lectures, or community service for those in need. With future guidance and facilitation, this will develop in more specific planning and discernment directions. Today, your pastor will share a list of the parishes in your grouping.

Renew My Church will undoubtedly involve leaving behind familiar patterns and demand that we move outside our comfort zones. In a word, it will require sacrifice, but that has always been true for the Church whenever we have taken up new challenges. I am convinced that we are up to the task, and willing to do whatever it takes to build our capacity to pass on our faith to future generations. That is what is at stake in the *Renew My Church* process. I encourage you to become involved and pray for its success.

Sincerely yours in Christ,

Cardinal Blase J. Cupich
Archbishop of Chicago

MINISTRY OF CARE TRAINING

The Ministry of Care brings the Eucharist and the spiritual support of the faith community to our brothers and sisters who are homebound or in local hospitals, senior living facilities and nursing homes. We welcome you to pray about this ministry and see if this would be a way to share your faith, your time, and your love for the Lord and His people. Training for the Ministry of Care will take place on five consecutive Thursday evenings in Holbrook Hall at Presence St. Benedict Home, 6930 West Touhy Avenue in Niles. The five Thursdays begin this week and are February 2, 9, 16, 23 & March 2. Then there is one more session (scheduled at a mutually convenient time) held here at St. Isaac Jogues to learn our procedures.

If you would like to discuss your possible involvement in our parish's Ministry of Care, please contact Deacon Paul or Dee Stanton, 847/966-1180, by Monday evening. Thank you!
