YOU
ARE THE
SALT
OF THE
EARTH
YOU ARE THE
Light
OF THE
WORLD

FIFTH SUNDAY OF ORDINARY TIME
FEBRUARY 5, 2017

FROM THE
Pastor's Desk

Are you the salt of the Earth?

We Christians are called to be the salt of the earth. It may be an odd analogy, but Jesus compared believers to salt for a reason. Salt is a dietary mineral, used for flavoring and preservation, needed by all known living creatures. If abused, it can be harmful. However, it is also detrimental to have no salt intake because it regulates the water content in our bodies. Jesus used salt to describe how Christians are needed to bring balance and hope to an otherwise dying world. For a time, the Roman Empire gave its soldiers a ration of salt but eventually replaced it with a fixed sum of money for purchasing salt. This is where the word *salary* comes from (Latin for "salt money").

We know when salt comes in contact with the surface of food, the salt molecules try to achieve a balance between the number of salt molecules inside and outside the food. It does this by drawing water molecules out of the food and inserting salt molecules into the food through osmosis across semipermeable cell membranes. As a result, the number of free water molecules is reduced to a point where most bacteria cannot survive and most enzymes cannot operate because, basically, they get dehydrated.

We can be like salt to others when we work to bring about the best in others. Aging Cuban musicians whose talents had been virtually forgotten following Castro's takeover of Cuba, have been brought out of retirement by Ry Cooder. He travelled to Havana in order to bring the musicians together, resulting in triumphant performances of extraordinary music, and resurrecting the musicians' careers.

We have witnessed some of the major events of our recent history, international conflicts, starvation and exodus. Today more than 100 years later, diseases like typhoid fever and cholera have been virtually eliminated in developed countries thanks in large measure to the widespread chlorination of drinking water. Chlorine is one of the most abundant chemical elements literally obtained from the salt of the earth by a process of applying electrical energy to the sea salt.

In 2014, the deadly Ebola virus spread throughout West Africa country's borders in Sierra Leone. For countries impacted by Ebola, like Sierra Leone, bleach isn't something you necessarily find stocked in hospitals. It was because of the America Chemistry Council's Chlorine Chemistry Division and one of its members, Olin Corporation, and World vision who turned to its army of supporters to raise half a million dollars to charter a flight of supplies, including the bleach, to Sierra Leone. After proper dilution, nearly 500,000 gallons of bleach solution were made available to hospitals and other care facilities throughout Sierra Leone which saved the life of many.

The question asked however is, "What good is salt if it has lost its flavor?" In other words, if a Christian has lost his or her gusto and fervor, then what's the difference between the old grain of sand they once were and the so-called salt they are now? The answer is: very little. I have learned I can't always control the trials I face, but I am the keeper of my "salt." Will I be *bitter* or *better*? Less seasoned or more flavorful? Will I disappear into the background or stand out as an overcomer? Because in the end, what good am I if I've lost my flavoring?

-Fr. Mario

On a personal note - I will be on vacation from February 7th until March 9th. Please keep me in your prayers during my travels. I will keep you in my prayers. I leave you in the good hands of Fr. Carlos and St. Isaac Jogues staff.

The **St. Joseph Table** is an old tradition from Sicily. Many centuries ago there was a famine and the people prayed to St. Joseph, their patron, and asked his intercession. Rains came, the famine ended and a special feast to thank and praise God and to honor St. Joseph was prepared. All were welcome to come and enjoy especially the sick and homeless.

Though Sicilian immigrants introduced the custom to America, the celebration and feast are open to all. The St. Joseph Table is a source of petition and thanksgiving. The foods presented on the Table are acquired through begging, asking the help of people and local businesses to represent what the poor of Sicily had to do. Traditional foods for the Table include pasta with marinara or sauce with sardines, frittatas (egg dishes), fish, roasted or fried vegetables and Italian sweets.

Everyone is invited to our parish **St. Joseph Table on Sunday, March 19th, the Feast of St. Joseph.**

It will begin with the Noon Mass. The blessing of the Table and serving of food will follow and continue until 4 p.m. in the Holy Family Room. Per the tradition there is no charge to eat at the table but donations will be gratefully accepted. Be sure to bring your family, friends and neighbors for this wonderful event!

Please help us with this special and age-old tradition by providing food (meatless), a monetary donation to prepare the table (plates, plasticware, etc.) or your time (set up, serving, cleanup). Sign up forms can be found in the Holy Family Room these next few weeks. **Early sign up helps us plan better for the event!** Depending on what you sign up for, you will then be contacted by one of the following people: Fish – Teresita Sitjar; Frittatas – Diane Lazzaretti; Vegetables – Mary Affatati; Salads – Dolly Bellissimo; Sweets – Irene Baron; Workers – Dee Stanton.

If you have questions or need other information please call the RE Office, 847/966-1180.

THANK YOU

TO EVERYONE
WHO CONTRIBUTED
TO OUR 60TH
ANNIVERSARY
COLLECTION.

Through your generosity, we have accumulated **\$9,231** to date and donations continue to come in! In addition, several others made donations to be used specifically for roof replacement.

One of the projects the donations are to fund is the refurbishment of the St. Isaac Jogues statue, created by Fr. Anthony Brankin. We have sent pictures of the statue to Fr. Brankin for his review and input. We are also researching what may need to be done to preserve the statue for years to come.

Soon, the statue of our patron saint will be greeting all who enter at the front door!

A STEWARDSHIP PRAYER

Good and loving God, Source of every grace and blessing, we bring You thanks this day for the many gifts You have given us. We seek to be good stewards, Lord! Bless us as we gather here to share Your gifts. Send us Your Spirit and be present among us at the heart of all we say and do. We ask in Jesus' name, Amen.

ARCHDIOCESE OF CHICAGO

**LOVE YOUR NEIGHBOR

Annual Catholic Appeal 2017

PLEASE MAKE YOUR GIFT TO THE 2017 ANNUAL CATHOLIC APPEAL

To those of you who have already responded to the Annual Catholic Appeal mailing from Cardinal Cupich, thank you! Those served by the ministries and services funded by the ACA are grateful. If you received the mailing and have not responded, please do so as soon as possible.

The Annual Catholic Appeal offers a wonderful opportunity to "*Love Your Neighbor as Yourself.*" In addition to providing for ministries and services throughout the Archdiocese, the Appeal also funds services that are of great help to ministries here in our parish: continuing education and ongoing spiritual formation of priests; education and formation of deacons and lay ministers; SPRED, providing chastity education speakers for our RE Program, extending our compassion and aid to the poor in foreign lands through Catholic Relief Services, etc.

As we contemplate God's many gifts to us, let us also reflect on our gratitude for these gifts. Your financial support for the work of our parish, our Archdiocese, and the Church throughout the world is, in fact, one way to express this gratitude. Please give generously to the 2017 Annual Catholic Appeal. When our parish reaches its goal of \$ 33,840 paid pledges, 100% of the additional funds received will be return to us for use in our parish.

Responding to Domestic Violence in Our Community

Today Fr. Charles W. Dahm, O.P, Director of Domestic Violence Outreach for the Archdiocese of Chicago, is preaching at all the Masses. Although largely unseen, domestic violence is rampant in the United States, including in our community. Calls about domestic violence are the most frequent received by local police in our community. On **Monday at 7:00 p.m. in the Holy Family Room Fr. Dahm will meet** with those parishioners interested in learning more about domestic violence and/or helping our parish respond to the needs of victims in our community as sensitively and compassionately as we can. All are welcome. If you would like to assist the Domestic Violence Outreach Ministry with a monetary donation, please place it in one of the alms boxes at the doors of the church today. Thank you!
