## RENEW MY CHURCH

Just a year ago, then Archbishop Cupich outlined his “dreams” for our Churches. He began with these seven priorities:

- 1) **We bring people to Christ:** The parish strives to evangelize its members to live more fully as intentional disciples. In turn, the parish’s intentional disciples are continuously evangelizing others by making known the presence of the Church and Christ’s mercy in the midst of the community.
- 2) **We support each other in knowing Christ more deeply:** The parish enables a lifelong process of formation for deepening one’s faith and relationship with Christ by passing on the church’s teaching and Tradition to parishioners of all ages.
- 3) **We encounter Christ and receive nourishment through prayer and worship:** The parish is intentional in developing a culture and tradition of prayer, devotion, and well-prepared liturgy, with the Eucharist as the “Source and the Summit.”
- 4) **We build bonds among each other to sustain our life in Christ:** The parish represents a genuine Catholic community that is conscious of its solidarity in Christ with the entire church of Chicago and the Universal Church. It is inclusive and harmonious, respecting and appreciating diversity in all its forms as an asset in worship and community life.
- 5) **We transform the lives of others through service as Christ’s missionary disciples:** The parish prepares and sends parishioners as missionary disciples into the world to transform society with the joy and truth of the Gospel. The parish is a beacon of faith and an advocate for justice and peace, reaching out in love to all who are in need, on the margin of society, or who live in fear and loneliness.
- 6) **We respond to the call to holiness by journeying together with Christ:** The parish accompanies the baptized on life’s journey to become more Christ-centered, resistant to sin, merciful, continually attentive to building a mature, well-integrated adult spirituality, and committed to charity, peace, prayer, and virtue.
- 7) **We take responsibility for administration and leadership of the parish as good stewards of the gifts Christ has entrusted to us:** The parish thrives under the visionary leadership of the pastor, who works in collaboration with his associates, staff, and the laity to ensure that the parish’s mission can fully flourish as a result of proper administration. The parish fosters a culture of stewardship and a spirituality of gratitude that inspires parishioners to generously share the gifts Christ has entrusted to them in support of the mission of the church through the parish, the archdiocese and in the world.

**Now**, it is up to us. **WE** are responsible for **OUR** church. What are our goals and objectives? How do we determine if we are doing our very best to fulfill God’s will each and every day? What’s most important to St. Isaac Jogues? What do we do well? What needs to change?

“I hope that all communities will devote the necessary effort to advancing along the path of a pastoral and missionary conversion which cannot leave things as they presently are,” Pope Francis wrote in “The Joy of the Gospel.” “‘Mere administration’ can no longer be enough. Throughout the world, let us be ‘permanently in a state of mission.’”

**PARISH MISSION --  
OUR LENTEN JOURNEY: BECOMING INSTRUMENTS OF PEACE**

**St. Isaac Jogues and St. Martha of Bethany Parishes invite you to our joint Lenten Mission beginning this Sunday – Tuesday, March 5 – 7, 7:00-8:30 p.m. at St. Martha Church** on Georgiana Avenue in Morton Grove. Hospitality will follow each session.

**Friar Johnpaul Cafiero, OFM, our Mission Presenter**, will lead us in reflections on the popular and well-loved Peace Prayer. His storytelling and humor will bring to life the message of Jesus’ words to us, his disciples, in the context of Evening Prayer. On **Sunday** he will focus on the **first part of the Peace Prayer and the Beatitudes; Monday – “O Divine Master” and the Holy Trinity;** and on **Tuesday he will consider the rest of the Peace Prayer and how God’s Ways Are Not Our Ways.** Each evening there will be a collection taken up for the Franciscan Ministries (soup kitchen, scholarships, shelters, etc.). Come, bring family members or friends (Gr. 5 through senior citizens) for an enjoyable and faith strengthening experience they will not soon forget!

Friar Johnpaul is a Franciscan priest of the Sacred Heart Province of Chicago/St. Louis. He was born and raised in the New York Metro area and is the oldest of an Italian/Polish Catholic family. He is a former police officer and has worked as a counselor and therapist and has many speaking and preaching engagements. Friar Johnpaul is Pastoral Associate and preacher at Holy Family Church in Inverness and serves as chaplain for the Illinois State Police. He was so well received at St. Martha’s Lent Mission last year that parishioners asked Fr. Dennis to invite him to return!

**We are offering a bus to St. Martha each of the three nights** for those who would prefer not to drive. It will leave the SIJ parking lot at 6:30 p.m. and be back in the parking lot at 9 p.m. It is \$5 per night or all three nights for \$12. **Please sign up in the Holy Family Room if you plan to ride the bus.**

## UNCLE PETE'S MINISTRY...

is our alms recipient next weekend. It operates out of St. John Brebeuf Church and includes among other things providing sack lunches for the homeless in Chicago through many shelters. Your donations will be used to buy food to make sack lunches which will be made by members of the SIJ Women's Club and others interested (date to be determined). Next weekend, however, we do hope you will stop in the Holy Family Room after Mass to write a note to someone who will receive one of the sack lunches. It will just take a couple minutes of your time, but will let someone know they are being thought about and prayed for. Paper and writing supplies will be provided for you! Children welcome to come and draw a picture to share!

## March is National Developmental Disabilities Awareness Month

According to the American Association of Intellectual and Developmental Disabilities website, developmental disabilities are severe, chronic disabilities that appear before the age of 22 and are likely to be life-long. Some developmental disabilities are physical disabilities, such as cerebral palsy or epilepsy. Other developmental disabilities involve both physical and intellectual disabilities, such as Down syndrome or fetal alcohol syndrome. Because intellectual and other developmental disabilities often occur together, the term Intellectual/Developmental Disability is used.

Intellectual/Developmental Disability is characterized by limitations in both **intelligence** and **adaptive skills**. Because each person with an Intellectual/Developmental Disability is an individual, every person with an Intellectual/Developmental Disability will display characteristics differently.

Here are some general tips that may help when interacting with parishioners with Intellectual/Developmental Disabilities:

- Speak directly to the person in clear and short sentences
- Be patient and allow extra time for the person to respond
- Repeat your information and your questions, as needed
- Include the person in age appropriate ministries by personally asking the parishioner if they would like to participate. If they want to participate, provide individualized training, simplify tasks and provide mentors to assist, as needed.

Let's all work to make sure everyone feels welcome!

The St. Isaac Jogues Parish Pastoral Council is a consultative body that discerns the needs of the parish and advises the pastor how best to respond to those needs. Prayerfully, the council helps to empower the parish to carry out the Mission of Christ. Membership includes representatives from parish commissions, parish staff, and St. Isaac Jogues parishioners at large. Each council member is interviewed by the pastor and goes through a process of discernment and formation. The bylaws of the Council specify term limits. Four members of our Pastoral Council are leaving due to term limits and relocation.

If you are interested in becoming a council member, please drop your name to the **rectory** mailbox or inform one of the current members. Applicants will be required to complete a brief questionnaire. The questionnaire will be reviewed. The selection will be made with parish diversity and representation of all commissions in mind. Openings on the council are limited and not everyone who applies will be selected.

Know that your interest and willingness to serve on the council are greatly appreciated.

## Cardinal Cupich: Give yourself a gift this Lent, silence

### *The cardinal's Lenten message:*

The noise pollution of modern society grows harsher every year. We are bombarded by noise from traffic, aircraft, office equipment, home appliances, TVs and cell-phone conversations. Oddly enough, we rarely seem to notice the increased noise because we have learned to live with it or just block it out.

However, we pay a price for all of the increasing decibels in the modern age. In addition to the immediate danger of hearing loss due to long-term exposure to high levels of noise, we also suffer from an increase of stress and irritability from this overstimulation.

Lent is the season of silence. It is a time to enter into the desert, as Jesus did for 40 days. Admittedly, silence can make us feel uneasy. Perhaps it is because silence forces us to think, to feel, to be in touch with those deep areas of our lives where a sense of emptiness or meaninglessness may be lurking in our hearts.

Throughout the Gospels Jesus is portrayed as going off alone in silence to pray. The evangelists repeatedly recorded such retreats from the noise of the world not just to tell us something about Jesus, but also about those who followed him. They, too, discovered that silence takes us into the divine presence. Meister Eckhart, a 14th-century German Dominican, said it so well: "Nothing in all creation is so like God as silence."

This Lent I have asked our pastors to invite their communities to take extra time for silence during Mass, especially after Communion. In fact, the church recognizes the value of silence at certain moments of the Mass as a way of quietly absorbing the great mysteries we celebrate. Taking time for silence after Communion can be a special grace for each of us individually and for us as a worshipping community. We actively pray to God for our needs and raise our voices in songs of prayer. Yet, we need this silent time to allow God to speak to us. That means quieting ourselves even from saying prayers and just being aware of what Jesus tells us: we abide in God and God in us.

I especially invite you to enter into silence during these 40 days, not as a place of fear, but as the place where you encounter the living God who wants to speak to you. Give yourself the gift of silence this Lent. You will discover what Eckhart did centuries ago: "Nothing in all of creation is so like God as silence."
