Mission: "A Catholic Parish sharing experiences of the Kingdom of God"

TWENTY-SIXTH SUNDAY IN ORDINARY TIME
SUNDAY, SEPTEMBER 25, 2016

FROM THE
Pastor's Desk

What is October Count?

Well, come October and the count begins. Why the month of October ? Simply because it is easier at Fall, than other months. Every year the Archdiocese requests that parishes conduct an October count. The count serves as an important source of information for planning, especially for strategic planning in regard to the priority of issues of evangelization and ministerial leadership. It also helps to determine the strength and vitality of each parish as per the number of registered of families. By way of the October count we able to assess the rise or decline of our number of parishioners.

We are called to profess our faith in God. Our participation in the Eucharist at St. Isaac Jogues parish helps promote our faith and makes us feel as a welcoming parish fulfilling God's mission here on earth.

Our strength lies in coming together to worship God every Sunday. It is an occasion to show our commitment to our God and live in fellowship with each other by sharing in the Lord's meal at his Eucharistic banquet. It is an opportunity to know the members of the parish & clergy and share in each others joys by way of greeting at the end of each mass. I greatly enjoy greeting each of you and sharing our joys & concerns with one another.

The overall goal of the Strategic Pastoral Plan reflects Christ light and is to improve the total Archdiocesan October count in each parish by 20% by 2016.

Let us draw our inspiration from Lorenzo Ruiz a saint & first martyr from the land of the Philippines. He witnessed Christ by his life even to the point of undergoing terrible torture. Regularly participating in the Eucharist is a witness of our faith and sharing in the priesthood of Christ.

Lorenzo was born in Manila of a Chinese father and a Filipino mother, both Christians. Thus he learned Chinese and Tagalog from them and Spanish from the Dominicans whom he served as altar boy and sacristan. He became a professional calligrapher, transcribing documents in beautiful penmanship. He married and had two sons and a daughter.

His life took an abrupt turn when he was accused of murder. Nothing further is known except the statement of two Dominicans that *"he was sought by the authorities on account of a homicide to which he was present or which were attributed to him."*

At that time, three Dominican priests, Antonio Gonzalez, Guillermo Courtet, and Miguel de Aozaraza, were about to sail to Japan in spite of a violent persecution there. With them was a Japanese priest, Vicente Shiwozuka de la Cruz, and a layman named Lazaro, a leper. Lorenzo, having taken asylum with them, was allowed to accompany them. But only when they were at sea did he learn that they were going to Japan.

They landed at Okinawa. Lorenzo could have gone on to Formosa, but, he reported, *"I decided to stay with the Fathers, because the Spaniards would hang me there."* In Japan, they were soon found out, arrested, and taken to Nagasaki. The 50,000 Catholics who once lived there were dispersed or killed by persecution.

They were subjected to an unspeakable kind of torture. Ruiz refused to renounce Christianity and died from blood loss and suffocation. Can a martyr's blood not inspire us? What made Lorenzo give up his life at the prime age of 37? He did value his earthly life but was able to stand as a witness for Christ by his life for he realized that shedding blood for Christ entails eternal life.

Stand with us and all martyrs and Saints and be counted. If you're not registered, materials are available in the Holy Family Room. Complete a registration card and give it to an usher or drop it at the rectory. Plan to be at mass every weekend. Your attendance matters - enrich your relationship with God and support St. Isaac Jogues.

-Fr. Mario

THANK YOU FROM A GRATEFUL ST ISAAC JOGUES OUTREACH MINISTRY CLIENT

"Mary" came to our Outreach Ministry because she needed our help. She was caring for her dear husband during the last stages of his battle with cancer and she just wanted to talk about him and about their life together. I listened to her story of how they met and fell in love many years ago.

Mary told me that even though her husband had lost his appetite for the most part, he still enjoyed eating Honey Nut Cheerios. I packed up two boxes of Cheerios for her (along with soups and other foods) and gave her a Wal-Mart gift card so that she could buy cold milk for his cereal. Each time you donated Honey Nut Cheerios to the food pantry, I took those boxes over to Mary and her husband.

Whenever I see a box of Honey Nut Cheerios in the food pantry donation bin, I think of Mary and how much it meant to her to be able to offer her husband his favorite food during the last months of his life.

Here is a thank you letter from Mary:

Dearest St. Isaac Jogues,

I am sending all of you a Huge Hug. You have been in my thoughts all summer and I wanted to drop a note to let you know you are always in my thoughts and prayers. Through my hardest times, I remember you being there for us…

God Bless You,
Mary
