Love your neighbor

Wherever I hear the word **love** what comes to my mind is a feeling of being **loved** by someone. All we need is love and to be loved by another. In order to experience the feeling of love we need to first love, a human being or an animal or God. God is the embodiment of love, who loves us as we are and calls us to love him in return. If we love God then we love his creation as Jesus commanded the scribe who asked him as to which was the greatest commandment? He replied, to love God and to love your neighbor as yourself.

There is absolutely no doubt that we love God but how sure are we that we love our neighbor as ourselves as commanded by Jesus? Loving your neighbor does not mean selling all your possessions and settling your bank account in favor of your neighbor, unless God calls you to do that. Speaking about loving one's neighbor is by loving God's creation. That is one way of taking care of the earth as a good neighbor. Since God created the earth and entrusted everything under the care and domain of man, so our responsibility lies in being good stewards of the things under our care. One opportunity to love your neighbors is to support Deacon Paul's efforts with the "Buckets of Hope" work. It's a very important ministry of care sponsored by the Deacon Community across the United States.

For a very long time, we have been grappling with the problem about the structure of the church and the leaking that has caused damage over the years, to the church, school roof and the interiors which need immediate attention. Can we come together and attend to the urgent needs of the parish by volunteering our time and talent and by joining in the campaign to raise funds for the parish? We need experienced people in interior design and the construction trades to be on a committee of at least 10 people to act as advisors to help the parish consider options and make the right decisions. Please let us know by calling at the rectory or emailing your interest to office@sj-parish.com.

We have many very good parishioners, who, when called upon have encouraged us with their support and financial help. But that is not sufficient to get moving with the damages that are done to the structure. Therefore, I appeal to each of you my beloved parishioners, to step forward to support a just cause to restore the parish of St. Isaac Jogues to its pristine glory. We need a million dollars to carry out our renovation. We can do that provided everyone realizes that we need to take care of God's place of worship just as we would maintain our homes. Whatever pledges we make here at St. Isaac Jogues remains in the parish 100%. We have carefully gone about our tasks with the Cathedral Company, our vendor whom we have employed as per the directives of the Archdiocese and are helping us in a phased manner. This weekend November 3&4 is an In-Pew Communications weekend. During Mass, you will hear about the "**Assure our Future**" campaign. The success of the campaign will depend on you. I am sure you have all dreamt that one day we would fix our roof and improve the church interior. The day has come to show our solidarity to our patron St. Isaac Jogues, a missionary who left his hometown, family & friends to serve God.

May the spirit of our Patron inspire and ignite a fire within us, so that we are able to move along relentlessly till we arrive at a completion of the project we have in hand. Every one of you will receive a packet of the work to be carried out in phases. We plan to complete projects as money flows. Remember, we are called to love our neighbor; it is only when we keep our worship site neat and tidy, we can become good stewards of Gods resources, and love thy neighbor.

-Fr. Mario

Buckets of Hope

Buckets of Hope is an initiative of Permanent Deacons and Lay Ministers of the **Hopes on the Way Ministry** founded by Deacon Joseph "Joe" Winblad. When disaster strikes a community **Hope's on the Way** members donate time to assist the community in need by traveling to the community with our own tools and materials/supplies to rebuild & repair houses, shelters, churches or gathering necessary supplies to clean houses and restore hope to the victim's lives or with **Buckets of Hope**. The Deacon Community has activated this initiative again to assist people affected by Hurricane Florence. We begin by gathering cleaning supplies and clothing/safety equipment. Deacons and volunteers fill five gallon buckets with the supplies and co-ordinate delivery of the supplies to a staging and distribution point for the residents of the weather battered area. Below is a list of items we need to fill the **Buckets of Hope**. Please consider assisting us in this endeavor by purchasing one or more item on the list or by making a donation to our ministerial effort. If a monetary donation is more convenient for you please send a check payable to **Hope's on the Way** and mail it to St. Isaac Jogues Parish, 8149 W. Golf Road, Niles, Il. 60714. If you choose to donate items, please drop them at St. Isaac Jogues by **NOVEMBER 10th**. Volunteers always welcome! **THANK YOU FOR SUPPORTING THOSE IN NEED AND HELPING THE DEACONS IN THEIR COMMITMENT TO SERVICE!**

"Assure Our Future" Campaign Prayer

Caring God, You have blessed us with men and women who have founded this parish community with Christ as "the head and the cornerstone."

We pray for hearts that are fresh with enthusiasm and energy so that we might be faithful to their legacy as we pave the way for the future.

Guide and help us during this time of material sacrifice and call to generous giving.

Inspire us to make choices that will benefit the St. Isaac Jogues Church Community, so that rooted in our past and dedicated to our present, we might be visionaries of the future. We ask this in Jesus' name. Amen.

In Memoriam

TO ASSURE OUR FUTURE PLEDGE CAMPAIGN

Today at Mass you had an opportunity to hear about the parish's capital campaign which we are undertaking to raise \$1,000,000. This money will give us the resources to carry out important replacement, repair and enhancement projects that will make our church and buildings drier and safer, and more welcoming and accessible. Some people in the parish were asked to give the campaign a jump start with an early pledge. The responses to that early appeal have brought in a commitment of **OVER \$300,000** thus far. **We're off to a great start!**

Every person's gift and sacrifice will allow us to do the work that has to be accomplished. This campaign is not about equal gifts but equal sacrifice, to give as best able for the good of the community and to **"Assure Our Future."** **All pledges/donations will remain here in the parish!** If you have not already, you will be receiving information in the mail regarding the projects and your financial and prayerful participation. Please take time this week to review the materials and to pray about your commitment to this important endeavor. Materials are available today for those who are not registered in the parish, but who desire to be part of the success of this campaign.

Next weekend Father Mario will speak at all the Masses and the pledge commitment process will take place after the homily. You do not have to make a down payment on your pledge, but are welcome to do so if you choose. Pledges may be paid over three years. You can also pay your pledge through Give Central.

If you have any questions, please contact the Rectory this week and a member of the campaign committee will be happy to get back to you. God bless you for your prayerful consideration and generosity.
